

ONE PLATFORM

ZERO COMPROMISE

EVERY AUCTION TYPE

Every auction format, one powerful platform:

In-Room

Onsite

Timed

Virtual

Attract buyers. Spark competition. Win listings.

9

The Data Advantage
Every auction tells a story. Access real-time auction stats and insights, ready for your next listing pitch.

8

The Proof Sellers See
Keep your livestream replay on your site: proof of performance that wins new listings.

7

Your Digital Prospecting Tool
Reggie the Virtual Assistant turns casual online visitors into engaged audiences and quality leads.

6

Total Auction Control
Showcase the property, capture bids, and keep momentum high - all from one platform.

5

Stream It Your Way
Directly on your website: no third-party ads or rivals. Show live bids from in-person and online audiences.

Run the Auction

4

Bidding Without Borders
Enable online bidding to service remote or privacy-conscious bidders. Drive stronger competition.

3

The One-Time Sign-Up
Electronic bidder registration creates a Bid Buy Profile for quick logins at future auctions. No paperwork.

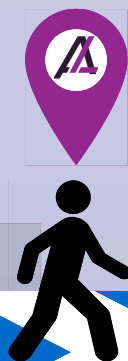

2

Your Site, Your Show
Showcase upcoming, live, and past auctions on your agency's site. Your brand, your traffic, your leads.

1

One System, Any Auction
In-Room, Onsite, Timed, or Virtual. We give agents and auctioneers the tools to own every moment.

Set Up the Cycle

Auctions Live is an end-to-end digital auction solution by
